

Course Elective/Substitution Approval
Department of Anthropology
San Francisco State University

This form is for approval of credits toward the major for courses taken at SFSU, including University-wide electives. For courses taken at other institutions, the Equivalency Approval form should be used.

Students must get approval for University-wide electives or course substitutions prior to taking the course in another Department.

For a Substitution, Students must attach a course description and/or syllabus.

For University-wide electives, a course descriptions and/or syllabus may be requested by the advisor.
