

# Course Equivalency Approval

Department of Anthropology  
San Francisco State University

This form is for approval of credits toward the major for non-articulated courses transferred to SFSU from other institutions. For course taken at SFSU, the Course Elective/Substitution form should be used.

Students must attach a syllabus and/or course description and bring this form to their advisor for evaluation. Equivalency approvals must be submitted within the first two months of the semester for transfer students and for students returning from abroad or within two months of declaring an Anthropology major. Continuing students must get approval prior to taking the course.

**All credits must be approved for transfer by the University and appear on the student's DARS or ASE before they will be approved by the department.**
